ANNUAL PUBLIC UTILITY BARRICADE PERMIT APPLICATION

Public Utilities that are recognized by the Arizona Corporation Commission are eligible for the Annual Public Utility Barricade Permit Program. The Annual Public Utility Barricade Permit (Annual Permit) allows blanket permitting that would otherwise cost \$75.00 per barricade permit for short term duration maintenance work. Short term duration work is defined as 2-hours or less and for activities not requiring any disturbance of the ground. A \$50.00 Plan Review fee is required for barricade plan review of work not meeting this type of criteria. The annual permit will expire exactly one year from date of purchase.

Permit Fee: \$12,000
