

Park Tucson Surface Parking Lots

Monthly Contract Parking

Information • Policies • Rules

- Customers who have been notified that their request for a permit has been approved and their payment received may pick up the vehicle sticker in person at the Park Tucson office (110 E. Pennington Street, Suite 150, on the ground floor of the Pennington Street Garage), or request that it be mailed to them. Following the initial account setup, customers can pay their monthly renewal through the mobile app, **GoTucson Parking**. (Customers may also initiate the permit purchase process through **GoTucson Parking**. Upon completion of the on-line application, Park Tucson will confirm customer eligibility and then notify the customer that they may continue with their purchase.)
- **All information provided to the Park Tucson office will remain confidential.**
- Monthly renewal payments for parking are due on the 1st of every month. If the payment is not made by the 5th day of the month, a \$10 late fee will be incurred. If the 1st or 5th day of the month falls on a Saturday, Sunday or holiday, payment is due the next business day.
- Surface lot parking is on a first-come, first-served basis and is available during posted hours. Some lots are available only to permit-holders from 6:00 a.m. to 6:00 p.m., Monday through Friday, but permit-holders may

park in the designated lot outside of those hours as well. Park Tucson reserves the right to designate reserved parking whenever necessary.

- Failure to park in designated areas or to properly display a hanging tag may result in a citation. The current fine for this infraction is \$62.
- Loitering of one's person or one's vehicle is prohibited in City of Tucson surface parking lots. The parking lots are not intended to be used for long-term continuous vehicle storage or for overnight camping. Leaving a vehicle that does not run or with one or more flat tires for an indefinite period of time is considered loitering. Overnight camping, via tents, huts, **vehicles**, sleeping boxes, or any form or kind of temporary shelter or structure, is considered loitering and is prohibited.
- Parkers who wish to cancel their parking permits must notify Park Tucson.

Vehicle Access

There is no controlled ingress/egress in surface lots. Proceed to park in any available unmarked space and ensure hanging tag is visible. Please do not park in metered parking spaces.

Hanging Tags

All parkers are 100% responsible for their hanging tags. For lost or stolen hanging tags, there is a \$25 replacement fee. In the case of theft or loss, notify the Park Tucson office at (520) 791-5071 immediately. A new hanging tag will be issued once the replacement fee is paid. If the hanging tag is found within thirty (30) calendar days after loss or theft, the replacement fee will be reimbursed. There is no reimbursement after 30 calendar days.

Hanging tags that have been damaged by overuse or due to the elements, such as sun damage, will be replaced free of charge. Please bring damaged access cards to the Park Tucson office. If there is any other type of damage, you will be liable for the \$25 replacement fee.

Hanging tags must be hung from the inside rear view mirror, and must be clearly legible and visible from the front of the vehicle at all times.

Hanging tags may not be loaned, sub-contracted, or transferred to another individual or organization. Any abuse or violation of this section will result in loss of parking privileges.

Temporary Disruption of Parking Facilities

If the surface lot where the permit-holder is assigned to park experiences over-crowding due to construction, renovations, or other temporary circumstance, Park Tucson will make space temporarily available to displaced permit parkers at one or more of its other facilities. Park Tucson will not reimburse parkers for fees they incur for parking at a non-Park Tucson facility in such circumstances.

Security

Security personnel and Parking Enforcement Agents patrol this surface lot throughout the day and evening. They have been instructed to issue warnings and/or citations for those vehicles not displaying proper hanging tags, for improper parking practices, and for misconduct. Vehicles should not be left overnight.

Be sure to follow all posted regulations and speed limits. Remember to drive slowly in all lots, as there are pedestrians and other motor vehicles moving about. **BE AWARE OF THOSE AROUND YOU.**

Park Tucson assumes no liability or responsibility for any theft of personal property, vehicles or damage to any vehicle while parking in this surface lot.
