

Tucson Plastic Diversion Program

How it Works!

1. Fill up your bag with all your non-recyclable plastic waste. Clear or transparent bag is recommended.
2. Drop off the bag in the **orange** 22 cubic yard roll-off containers located at either of the locations noted below. They are marked **PLASTIC ONLY**. The City of Tucson Environmental & General Services (ESGD) will pick up the full roll-off container regularly.

We manage non-recyclable plastics and use them as construction material. See what we have built at San Gabriel Neighborhood Park, Himmel Park, El Pueblo Health Center, Ward 6 office, and more to come.

Tucson is Blocking Plastic Waste for Good!

Finally, there's a place to put all that plastic that's not supposed to go in the Blue Bin! **Tucson's Plastic Waste Diversion Program** removes the complexity of plastic waste and puts you in control of keeping plastic out of our landfills, streets, and oceans.

The plastic waste collected will be repurposed into ByBlocks - a 100% repurposed building material made entirely of non-recyclable plastic waste that will be used throughout the city for all to enjoy. No cleaning. No sorting. No pre-processing.

Now when you're in doubt, you don't have to throw it out!

 <p>Bread bags, candy wrappers, snack packaging, can holders</p>	 <p>Plastic & reusable bags, pouches, coffee bean bags, trash bags</p>	 <p>Utensils, straws, plastic plates, cups, table liners</p>
 <p>Coffee lids, plastic bottle tops, specialty drink cups</p>	 <p>Bubble wrap, films, air pouches, plastic mailers, bubble mailers</p>	 <p>Food trays, empty medicine/pill bottles and pouches, disposable tupperware</p>

**No Styrofoam. No Foam. No Medical Waste. No Electronics.
No Aluminium. No Foil. No Metal. No Steel.**
