Subject: Invitation to Salvage Open House October 18, 2015 383 S. Stone Ave.
Attachments: MOA Community Notice 2015-10-08.pdf

Jack and John,

As representatives of different Armory Park organizations, I am asking for your help in "advertising" the opportunity to remove non-structural objects from the Downtown Motor Hotel prior to the commencement of demolition.

Please make this known to any owners of historic properties in Armory Park and/or historic renovation contractors whom you think might have an interest in salvaging something from this property. Stringent liability waivers will be required of any and all persons entering the property.

I thank you in advance for your help.

Mark Shoemaker
