Raul was a pleasure to work with. We thought the world of him. I drove past Mission Manor Park for years on the way to hold meetings with city water department construction inspectors, and it's a lovely location to respect and remember him.

85746	Yes	Yes we support the name change.
85706	Yes	Raul Grijalva's legacy will live on
85706	Yes	Raul Grijalva was a Member of the Tucson Community for numerous years and was a Tucson Native. He represented us in Congress and was the "Voice" for the Latino Community and for all the People. He is sorely missed! Renaming Mission Manor Park in his name would be a Great Homage to Raul Grijalva as a Thank You for all that he did for Tucson.
85810	Yes	That's the park that I grew up using on the south side. He wa heavy drinker and a womanizer and congress had to pay hundreds of thousands to settle lawsuits on his behalf but he had a list of many accomplishments The only one I can think of was the one that allowed vets to go to national parks for free so I guess the good outweighs the bad.
85711	Yes	I support the name change, but I think a larger and more prominent Tucson park should be renamed in his honor.
85718	Yes	He deserves it
85710	Yes	Great idea.
85719	Yes	Renaming the park after Congressman Grijalva is an excellent way to recognize his career representing Tucson and CD7. 85713	Yes	I feel like the name of the park should be changed to honor a great man who's tirelessly fought for the people and his community.
85007	Yes	(Although I live in Phoenix, I'm a Tucson native and lived there many years)
85710	Yes	I strongly support this change. Raul Grijalva was connected to our city, county, and state in so many important ways it only seems fitting that a park should bear his name.
85716	Yes	I support the name change but the people AGAINST the name change and against the Grijalva family, in general, are very vocal and very scary. They're the same people who berate the mayor on a daily basis on social media. It's hard to take. :(
85713	Yes	Name would reflect the long standing support of Tucson for this person

		<p>I'm adding this comment since I didn't fill out all the above information before and would like my comment to be heard.</p> <p>I grew up in that area, W. Wedwick, Calle Ramona, Calle Garcia, W. Drexel. I went to Mission Manor school. My grandson Ocean was murdered at that park. (The Grijalva family never reached out to us. One of the suspects got tried as a juvenile and got 4 years. That now 18yoa is out 10 weeks and shoots (attempted murder) another person.... on the south side might I add.)</p> <p>Grijalva already has a school, park and I think Canoa Ranch was named after him. Grijalva did not attend Mission Manor.</p>
85734	Yes	I vote NO..
85701	Yes	What's to debate? Just do it!
85716	Yes	Raul Grijalva did so much good for Arizona, for Pima County, and for Tucson in this life. I think naming a park after him would be a great way to honor his memory.
85742	Yes	I had the pleasure of working with Cong Raul Grijalva in my work as the Govt Relations Officer for Pima College. He was always accessible and a great advocate for education. He made time for & listen to the students who travelled to meet him in DC. The renaming of the park is a great testament and recognition of his years of good work in public service and his representation of the people in his District & all of Arizona.
85746	Yes	Raul Grijalva deserves to have mission manor park named after him for all he gave to the community of Tucson
85614	Yes	He served Tucson and his community with integrity & compassion for many years. I being naming a park after him is appropriate. Thank you.
85713	Yes	<p>I was saddened by Raul's passing.</p> <p>He had Nature and the Environment always as a major focus.</p> <p>Yes, change the park name.</p>
85716	Yes	The work Raul Grijalva completed towards conservation, education, and tribal sovereignty will be an incredible legacy. Changing the name of a park to honor that work is one of many things AZ should do to honor his life's work.
85706	Yes	<p>I strongly urge you to approve renaming Mission Manor Park (Ward 1) to Raúl M. Grijalva Park.</p> <p>This honors a monumental figure whose life of service was marked by advocacy for families, social justice, and public lands. The new name cements his legacy and the values he championed in a visible community space.</p> <p>Name Comparison: Mission Manor: Generic, passive, tied to historical land development. Raúl M. Grijalva: Specific, symbolic of community empowerment, a monument to active citizenship.</p> <p>The new name elevates this space to reflect our community's civic soul, not just its geography. I ask for your vote to approve this renaming.</p> <p>Thank you for your time.</p>
85706	Yes	All my life I have heard about Raúl Grijalva and everything he has done for the people in our communities. It seems fitting to have a place where people come together named after him to honor his memory, and I hope future generations get to hear about what a good man he was.

85755	Yes	I believe Rep. Raul Grijalva did an outstanding job of representing the people of Tucson, and I think it is a good idea to change the park's name in honor of him.
85719	Yes	As a former constituent of Representative Raúl Grijalva, I strongly feel that this name change would be very fitting and deserved. I believe this is so given both his history in this area and how beloved he was by his constituents!
85705	Yes	We believe Mission Manor Park should be renamed Raúl Grijalva Park to honor Congressman Raúl Grijalva's lifelong dedication to serving the Tucson community and fighting for equity, education, and environmental protection. As a leader who has represented Southern Arizona for decades, Grijalva has consistently advocated for the needs of working families, public schools, and neighborhoods just like ours. Renaming the park would recognize his deep local roots and lasting impact on our community's growth and well-being. This change would not only celebrate his legacy but also inspire future generations to value leadership, inclusivity, and civic engagement right here in our own neighborhood.
85706	Yes	Raul Grijalva supported our people, our community. He spoke up for us when know one else would. I've lived on the south side of Tucson my whole life and being able to see Mission Manor parked renamed to Raul Grijalva would be a blessing. It will remind us of all his hard work and dedication he did through out his life.

85711	Yes	Great way to honor a man who spent his political career for our parks.

85713	Yes	Rual was a great man and a great leader and had earned the right to be remembered forever.
85746	Yes	It is important that our community honors those who have tirelessly worked for the betterment and defense of our community. Raul Grijalva was a product of Tucson's Southside. Throughout his adult life he advocated for better schools, parks, and for environmental justice in the Southside. It is fitting that we name a major park for this man who could have lived anywhere in Tucson yet chose to remain with and helped to positively improve the community that raised him.
85710	Yes	This sounds like a wonderful way to honor Mr Grijalva! His hard work and dedication to our state and country will never be forgotten! Hopefully there will be a statue of him as well. He will be greatly missed!!

85746	Yes	I think this is a fitting renaming.
85711	Yes	The late Congressman Grijalva was a true public servant, and this would be a wonderful way to honor him and his legacy.
85706	Yes	He served our district for many years. He worked hard and dedicated a lot of time. Mission Manor or Raul M Grijalva Park, I'm ok with both.
85730	Yes	I support it being renamed 100% Raul Grijalva was a great man
85704	Yes	Of course! We should honor people who have helped the people of Tuscon.
85719	Yes	I strongly support this proposal!
85747	Yes	I support renaming Mission Manor Park to Raul M. Grijalva Park. He was a strong advocate for the environment, education, and this community for decades, and it feels right to see that reflected in a public space where families gather and kids grow up. He lived here, he helped us here, let's keep his name alive so that younger generations understand what a true public servant looks like.
85716	Yes	Great idea! Raul has been a treasure for our community for decades. Thank you for this opportunity to comment on this wonderful project.
85746	Yes	Yes, I support and Raul deserved this renaming and more. In the future I would like to see a Mexican American Cultural Center named after him.
85711	Yes	A tru leader, focused on the community.
85706	Yes	I have known Raul Grijalva since my teen years since I had become aware of politcal issues. He has served Arizona for many years. I am okay with renaming the Mission Manor Park after our late Representative Grijalva.
85711	Yes	I think it is a great idea. We are not renaming a park that was named to honor an individual, so it is a good choice.
85712	Yes	I think it is a great idea to name the park after Raúl Grijalva!
85746	Yes	He has done more than enough to have this park named after him. Do it sooner than later
85750	Yes	This would be a wonderful honor to a man who served our community for so long.
85705	Yes	It's the least we could do for someone who marched along us and fought for us. I recommend rodeo Park too
85629	Yes	Congressman Grijalva has helped countless people through his dedicated public service. He truly worked tirelessly to support others and make a difference. He is an inspiration to the Hispanic community and to the residents of Tucson.
85712	Yes	I knew Congressman Raul Grivjala due to a particular issue of concern I had that requires a change in federal law to resolve. In my interactions with him and his staff, I found him to be a fine example of a good public servant. I trusted him to do what he says he would do. When he could sponsor a bill as I requested, he gave a sound reason and also said he would be a co sponsor, so I was not entirely let down. I met his family, too, a few times. Raul cared for his family and his community. A park in his name would keep his legacy alive and will inspire others to invest themselves in our community for generations to come
85730	Yes	Sounds good to me.
85705	Yes	We should honor Raul Grijalva
85701	Yes	I grew up two blocks from Mission manor park. I went to Mission Manor Elementary school and remember all the times I spent in the park and summers at the swimming pool. Good memories and good friendships. Mission Manor was just the name of the subdivision. I respected and supported Raúl M. Grijalva so honoring him by changing Mission Manor Park to Raúl M. Grijalva Park is fitting and right.
85749	Yes	What an excellent idea. Raúl M. Grijalva Park. Raúl Grijalva was a prominent citizen and an important part of the Tucson community. Everyone who knew and interacted with him will have a stake in the park. That's a whole lot of community involvement!
85713	Yes	Well deserved.

85746	Yes	Mr. Grijalva dedicated his life to serving our community, and creating a brand-new indoor park in his honor would be a wonderful way to continue his legacy and give Tucson families a safe, positive place to gather. Mission Manor Park has faced challenges with safety and crime for years, and simply changing its name won't solve those deeper issues. Our community deserves something new, uplifting, and truly reflective of the values Mr. Grijalva stood for

85711	Yes	Yes

		Raul Grijalva represented our community and values here in Tucson as well as in Washington DC for decades. Our city is better off because of his legacy. Renaming the park after him is a small way of honoring his contributions.

85705	Yes	Generations of our family have lived in Tucson since the 1940s--and in what is now AZ CD 7. My husband is a long time local educator who first met Rep. Grijalva when Adelita was a student in his classroom at Pueblo HS. Even then, Bob appreciated his ability to look beyond problems toward solutions, and to work with whomever it took to get to those solutions. The more places his name is mentioned: parks, buildings, etc. the longer his story will be remembered, and his example followed.
85641	Yes	I support changing the name of the park.
85714	Yes	Yes I'm all for it. Our late Represenative Raul Grijalva being my representative for so many years and being great representing us. Thank you for all the years of service.

But, I also wanted to see if possible, can we add a bench for my family member who was murdered in 2021, he was shot and killed on Irvington and lostan in August of 2021 and people destroyed his memorial. He was a frequent visitor of the mission manor park! And if you would add a bench or even a wall with his memory it would truly mean a lot to our family! His name is Domingo Sebastian Molina. Please don't hesitate to email me with any questions or comments. Thank you! My name is Fabian. fabianv95@yahoo.com

85743	Yes	All for this, Raul Grijalva was a great man. Low key wish you would've put this much energy and support behind renaming Joaquin Murrieta Park to Salomón Baldenegro Park. It's equally deserved.
86711	Yes	Yes He deserves the honor.

85745	Yes	It is an honor to support this renaming effort
85756	Yes	I have know Raul Grijalva most of my life. He has always stood up for his district, city, state and people. For his many years of service he should not only be remembered but honored. Renaming a park in his beloved district is a wonderful way to do just that.
85745	Yes	Congressman Raul Grijalva was a pillar of the community. He fought for climate, justice, and people.

85706	Yes	The proposed name change of Mission Manor Park to the Raul Grijalva Park in honor of the late congressman is an excellent proposal for the work he did in this neighborhood throughout his career in public office. Immediately what comes to mind is 12th Ave street improvements, development of the El Pueblo Center plus his work on the contaminated water. The RESPECT Act became a model for federal tribal consultation plus held congressional hearings on missing and murdered Indigenous women, conservation of more lands in the Grand Canyon, Canoa Ranch base in Green Valley and so much more ...
85706	Yes	I support changing the name of Mission Manor Park to Raul M Grijalva Park in his honor, for all his work in our community.
85745	Yes	Congressman Grijalva made a significant impact on the betterment of lives in our community, especially those underserved and overlooked communities of color. He was a staunch advocate for uplifting people through education and by providing job opportunities. He also was a strong voice for the protection and honoring of the environment.
85713	Yes	I fully support this renaming in tribute to the Hon. Raul Grijalva. Throughout his dedicated tenure as a Congressman and County Supervisor he represented this area and he was very instrumental in securing much needed financial assistance to provide enhanced public services such as housing, health, educational, transportation and public infrastructure services. As a youngster growing up on the southside he always used his direct and personal knowledge of this in making this often neglected area a priority for improvements. His role in making significant neighborhood reinvestment funding available to this area and neighboring ones was a previously unheard one and it was an effort that was a direct result of his personal leadership and involvement. As a former colleague of his on the Pima County Board of Supervisors, I am so honored to fully endorse and support the remaining of this facility in tribute and gratitude for the lifetime of service by the Honorable Raul Grijalva.
85794	Yes	Mr. Raul Grijalva, a long time southside advocate who has done so much for everyone on the south side of Tucson deserves having the Mission Manor park renamed in his honor. Please move forward with renaming the Mission Manor Park in his honor. Thank you for considering this.
85713	Yes	Fantastic
85718	Yes	Former Congressman Grijalva embodied the very best characteristics and attributes of a true tucsonan. A defender of the land and its people, the park should represent his name.
85706	Yes	It would be an Honor for our neighborhood to recognize Representative Grijalva, for his service to our community and carrying for his constituents.
85706	Yes	It would be an honor for our neighborhood to recognize representative Raul Grijalva by renaming Mission Manor park
85713	Yes	As a graduate of Sunnyside high school he is true representation of how far a public education can support Individual success. Naming a park in his name is reminiscent of the love and fight the Congressman had for open spaces and environment.
85624	Yes	What a tribute to our late Congressmen Raúl M. Grijalva for his service to his constituents in CD7, Arizona. For his work as a Supervisor in Pima County and for his support of public education not only in Arizona, but our nation. Congressman Grijalva was an extraordinary citizen and a role model for our families and youth. He was a staunch supporter of the environment and natural resources. We wholeheartedly support the name change to the Raúl M. Grijalva Park. Thank you. Sincerely, Cynthia Matus Morriss and Ronald R. Morriss of Patagonia, AZ
85756	Yes	I support the effort to rename Mission Manor Park after Congressman Raul Grijalva. I played my little league baseball and youth football at Mission Manor park in the 70's. I believe by re-naming the park, it would prompt our kids to ask who congressman Grijalva was. It may inspire our young people to serve our community. It would be a conduit to learning about the history of Tucson and who shaped our side of town.

85008	Yes	Congressman Grijalva did a lot for his community and constituents on issues like the environment, social justice, and public services. Throughout his life he worked on education and local leadership, was an advocate for bilingual education, worked to reinvest in older, underserved neighborhoods, helped found the El Rio Community Health Center, was known for his environmental advocacy, chaired the House Natural Resources Committee, was instrumental in preserving the Grand Canyon from mining and development, was deeply involved in advocating for tribal sovereignty, championed for higher minimum wage, worked on student loan forgiveness, improvements to transportation, and affordable housing. His work definitely centered on giving a voice to underrepresented communities. He has definitely earned having a park in Tucson named after him.
85757	Yes	It would be a great change for the neighborhood to have the park named after Raul Grijalva, a champion for families and children on the Southside.
85746	Yes	Raul Grijalva left a legacy of unequalled public service in education, civic leadership and the development of neighborhood center for Tucson. As a Supervisor he fought for funding for parks by Pima County. Lots of improvements to parks and recreation were due to his leadership. He also grew up on the are and attended public schools nearby, graduating from Sunnyside High school. Raul Grijalva Park Will be honoring that legacy.
85746	Yes	Yes!
85746	Yes	Raul Grijalva has been a leader and supporter of so many positive initiatives for our community including our youth. I think it would be awesome to honor him by naming a park after him since he has done so much for us for so many years.

85745	Yes	Deserved!
85746	Yes	I am honored to add my name to the growing list of supporters for the name change of Mission Manor Park to Raúl M. Grijalva Park. He remains a big part of our community and the work he's done on behalf of all in his district, Tucson, our state, and indeed our country is still very much present and strong! I think this is a fitting part of his legacy!
85745	Yes	Congressman Grijalva epitomized Tucson's South Side. To have a major public landmark named in his honor would be most significant. I knew the Congressman personally for many years, and while he was always serious about political issues, on a personal level he was very devoted to his family and was a jokester, lots of fun to be around. When one thinks of a park, one thinks of family gatherings and having fun, so it is most appropriate that the park be named for him.
85704	Yes	Yes, please do. I was raised at that park. Played softball on a team, seam in the pool during the summer, rode my bike daily on every inch of that lawn in the 60's and 70's. Fond memories!
85739	Yes	Congressman Grijalva was a honest, principled and effective politician. He cared for and helped his constituents. The park should be renamed in his honor
85715	Yes	Raul has served Tucson and Pima County and devoted his life to affirming our husbandry of the Earth. I support all efforts like this to recognize his monumental contribution to our community, the Nation and the World.
85746	Yes	Raul was a great advocate for our community
85745	Yes	Congressman Grijalva was a pillar of the community for many years and helped so many. Naming this park in his honor would honor his family and all constituents who he proudly served.
85745	Yes	Me encantaría honrar la memoria del Sr Raul Grijalva no Brando el parque mission Manor como Raul Grijalva Park. 20 años de servicio a la comunidad hacen merecido ese cambio.
85718	Yes	This would be an important tribute to a servant leader who focused on human rights and always looked out for those whose voices were often ignored.
85714	Yes	I believe the southside will be proud to have his name on a park and a way to remember all he did and represented for our raza!

85716	Yes	I wholeheartedly support the name change for the park. It should be named for a local dignitary, particularly one of Raul Grijalva's stature and lifetime,service to the community. Finally, more public spaces need to be named after Mexican Americans, particularly those from Tucson and Arizona. This is a no-brainer. Do the name change!
85745	Yes	Well-deserved. We should honor Raúl's legacy. Also, we should highlight the history and identity of our Mexican American community. Seeing a familiar, culturally relevant name on a public park fosters a sense of ownership and pride among residents, and inspires future generations. This also ensures that narrative of how the community was built, and who helped build it, is not lost as the city changes over time.
85711	Yes	I believe thus is a well deserved change. In honor of the years of service that Raul Grijalva gave to our community and the positive influence that his family has and is contributing. Thank you!
85713	Yes	Raul He did a great many things for our community. He treated me personally with kindness and respect and I will always love him for that!

85745	Yes	Rual devoted his life serving the Tucson and Mission Manor community.
85706	Yes	He was a large figure in our area . Starting with the El Pueblo center serving the south side. And as a representative housed in our neighborhood he proudly served and his office was a tremendous resource and aid to many community members . That's why I fill it be fitting to name park in his honor!

85741	Yes	My family and I are very happy for the change of the name Mission Manor to Raul Grijalva Park we support this 110%percent .
85706	Yes	Raúl Grijalva is one of the greatest leader for our community, he was very humble and responsible for his constituents. He put his own safety on line when prop 1070 was past on Arizona by calling a boycott and his life was threatened by supporters of this prop, regardless of his political career he always fought for the good of his people. He will always be remembered by all of us and by putting his name to the mission manor park is a good place to do so. Thank you Maria Carrasco
85704	Yes	This would've a great honor to have this park named after our esteemed Representative of 22 years, a Supervisor of Pima County for 13 years and as a TUSD School Board Member for another 13 years! Clearly Representative Grijalva cared deeply about the people of Tucson! Altogether, he served 46 years caring for and making decisions on behalf of all of his constituents. He cared deeply and renamed this park to Grijalva Park would only be our respect and gratitude for all he did for us! Please do rename Mission Park as Grijalva Park.
85701	Yes	Raul Grijalva had an extra ordinary list of programs and capital projects from major improvements in education, neighborhood programs & activities, transportation projects, environmental protection/ conservation, historic preservation & recognition, healthcare transformation, and other public service programs & projects. He earned all of the recognition and the community is well served in recognizing his contributions.
85706	Yes	Agree

85746	Yes	*please ignore if I already submitted Raul Grijalva is our champion! He was our voice in every issue important to our community. Raul was a proud Chicano from the Southside who never forgot his identity and roots. Rather than seeking profit and status, Raul diligently worked for the poor, our beautiful Mother Earth,' and for just a better world for our generations to come. We miss him enormously!
