INTRODUCTION

Duralock is a world-leading designer and manufacturer of high-performance PVCu fencing, specializing in the sports and equestrian market.

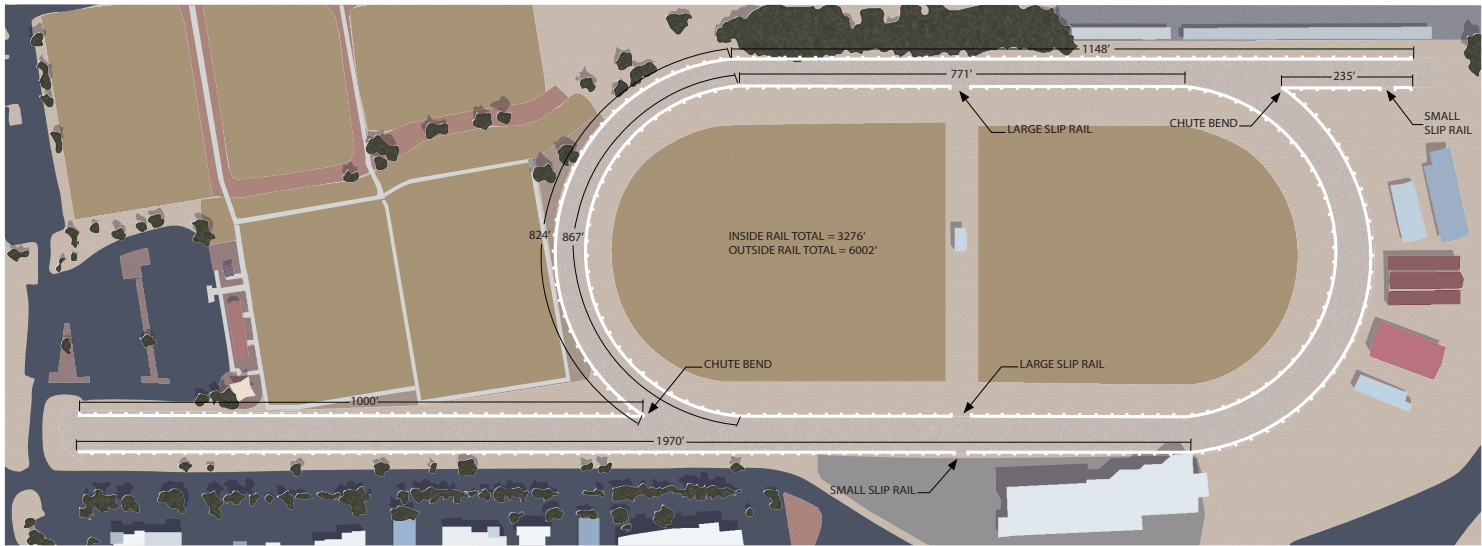

The family run company was established in 1991 and has managed installations in 41 countries at the highest level. Our race rail is in the vast majority of UK racecourses, including Ascot, Cheltenham, Goodwood and Newmarket. Other high profile racing facility installations include Saratoga Race Course, Meydan, The Curragh, Randwick Race Course, Hong Kong Jockey Club, Santa Anita Park and Gulfstream Park.

All fencing systems meet high safety standards with smooth, rounded surfaces and concealed fixings and are also durable, easy to install and have built-in UV protection.
