	<i>Description: little library to be built between sidewalk and street on top of existing tree stump. The little library will be made me with the help of a handyman. it will be six or 8 sided to fit the round tree stump, constructed of wood, with a stucco exterior and a shingle roof. The 2 doors to get the books from will be plexi with red trim - similar to the house color. I would have added the owner/Builder Waiver - but the link goes to a defunct page and I cannot find the waiver thru the search function.</i>
