Keep glass local.
Recycle glass in the purple container.

Hard to Recycle Plastics Program: A Partnership between City of Tucson, Hefty® ReNew® & ByFusion

Residents can purchase Hefty® ReNew® orange bags online or at participating retailers. Hard-to-recycle plastics are those that generally cannot go in your curbside blue recycling bin. These are composed of mixed plastics and make the process of isolating them for recycling difficult. The items listed below can be placed in the orange bags.

- Bread bags
- Candy wrappers
- Snack packaging
- Can holders
- Plastic utensils
- Styrofoam
- Straws
- Plastic plates
- Cups
- Table liners
- Coffee lids
- Specialty drink cups
- Plastic & reusable bags
- Coffee bean bags
- Trash bags
- Bubble wrap
- Plastic films
- Air pouches
