September 2021

Dear Friends:

September 15 through October 15 is National Hispanic Heritage Month, which traditionally honors the cultures and contributions of both Hispanic and Latino Americans as we celebrate heritage rooted in all Latin American countries.

Celebrating Hispanic Heritage Month gives us an opportunity to reflect on what makes Latinos such a strong, contributing force in America. Latinos were among the earliest European settlers in the New World, and Latinos as a people, like their many cultures, share a rich history and great diversity.

Latinos have had a profound and positive influence on our country through their commitment to family, faith, patriotism, cuisine, hard work and service. They have enhanced and shaped our national character with centuries old traditions that reflect the multiethnic and multicultural customs of their community.

Thanks to our Latino community and cuisine, we played a part when Tucson became the first City of Gastronomy as designated by UNESCO. You can see Latino influence on culture from here to New York but we think very little of it.

With more than 50 million Latinos across the United States, Latinos now make up the largest minority group and represent billions in buying power. Latinos also represent the fastest growing segment of the American electorate.

In Arizona, Raul Castro served as our first Latino Governor in the 1970's. In 1991, Ed Pastor was the first Latino elected to represent Arizona in the U.S. Congress. Today there are two Latinos in Congress representing Arizona: Raul Grijalva and Ruben Gallego. The City of Tucson elected its first Latina Mayor in 2019, Regina Romero.

In Tucson and Pima County, Latinos have sent a strong message by turning out to vote and leading the state in the number of Latinos that have been elected to governing bodies. In a recent article in "Inside Tucson Business," entitled "Hispanics a Key to Tucson's Rebound," it discussed the importance of buying power of the Latino Community in Tucson, Pima County and throughout Arizona.

It noted, "the Latino impact on the local and national economy and that their purchasing power represents \$8 billion per year in Pima County, a number that is expected to increase by 88% in the next decade." By 2024, Latinos are estimated to spend \$14 billion in the Tucson economy, equating to 28 percent of the total market spending.

Hispanics are the largest group that has earned the Medal of Honor and have a wall dedicated with their names and how they earned their accommodations at the Pentagon. Of which, two were presented to members of the United States Navy, thirteen to members of the United States Marine Corps and forty-six to members of the United States Army. Forty-two Medals of Honor were presented post-humously.

Hard work, resilience, perseverance, faith, patriotism, cuisine and family have made our Latino community great and one with a remarkable heritage.

As we mark National Hispanic Heritage Month this year, we must remember those from our families and community that we have lost from the COVID-19 virus.

Thank you.

Richard G. Fimbres

Your Ward 5 Council Member

TEP Route 5A Update: The Tucson Mayor and Council had a special meeting on Wednesday, September 1. The primary issue on this special meeting was the proposal by Tucson Electric Power (TEP) to the Arizona Corporation Commission to place power lines within the City of Tucson as part of their Kino to DMP proposed project, with their preferred and alternate route.

The Mayor and Council had discussion and an Executive Session on this issue.

Listening to our constituents, I made the following motion, approved by the Mayor and Council by a 6-0 vote (Vice Mayor Lee absent excused).

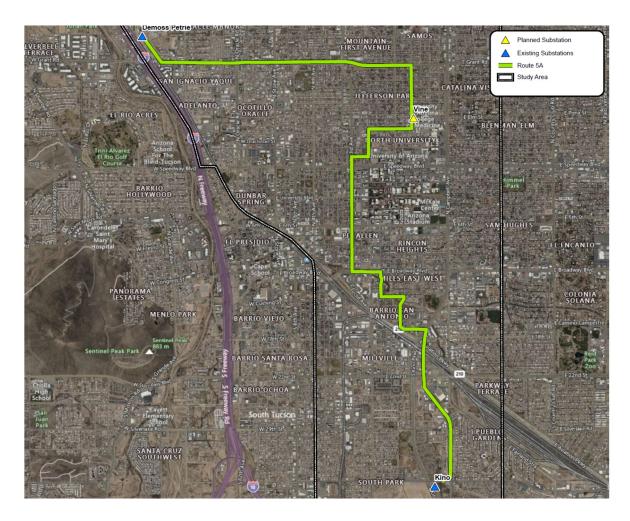

"I would like to make the following motion: I move that the Mayor and Council authorize and direct the City Manager, City Attorney and staff to proceed as discussed in Executive Session; and specifically as follows:

"The City will intervene as a party in the CEC proceedings;

"The City's position is that TEP's proposed Route 5A must be rejected as either a preferred route or an alternate route under the statutory criteria that the Committee and the ACC are bound to apply to the application. Reasons for the rejection of Route 5A include, and are not limited to, the following:

"The route's incompatibility with existing plans of the City, including voter-approved projects under Propositions 101, 407 and 409, and the City's General Plan;

"The route's interference with and negative impact to previously funded neighborhood improvement projects such as the South Campbell median improvements that benefit Las Vistas, Western Hills, Pueblo Gardens and South Park neighborhoods, as well as projects in other neighborhoods and neighborhoods in other Wards; and

"The rejection of Route 5A two years ago following review by the Community Working Groups through TEP's own procedures.

With respect to route 1B; the City's position is that this route – or any proposed preferred or alternate route – cannot be considered for approval unless TEP complies with all City requirements, including but not limited to the undergrounding requirements as described in the Mayor and Council Communication and as further discussed in executive session; and

"That to the extent TEP proposes to seek relief from any City requirements in connection with Route 1B or any other Route, the City Manager and City Attorney are directed to address those issues as discussed in executive session. Also, the Mayor and Council should write a formal letter to the Line Siting Committee and the Arizona Corporation Commission, to express their concerns over the proposed Route 5A and to send this letter to the U.S. Secretary of the Interior, the Arizona Congressional Delegation and to the Arizona Governor."

Let your voices be heard and go online to: https://efiling.azcc.gov/online-services/utilities-public-comment-external. When you do, a form comes up, fill in all of your pertinent information, name of Company - Tucson Electric Power, Docket number L-00000C-21-0288-00192, and if you are for, against, or neutral and then you fill in the comments section.

Sunshine Mile Overlay Update: At the September 14 Mayor and Council Meeting, the public hearing and further consideration of the remaining portion of the overlay that was in Ward 5 took place.

During the July 7 Mayor and Council meeting, it was clear that there was no consensus on the overlay for the Park and Euclid subdistricts that were in Ward 5. I asked for this portion to be continued and for the applicant to meet with Ward 5 neighbors to discuss the proposal further and to reach a decision and to make changes to the proposal for this area. What follows is my motion that I made at the Regular Agenda meeting at the September 14 Mayor and Council meeting:

"I want to thank Ward 5 residents, staff, the Rio Nuevo District and the applicant for meeting these past two months during the continuance I requested for the portion of the Sunshine Mile in Ward 5 at the Juy 7 Mayor and Council Meeting.

I want to thank Stephan Limeroth, Ana Warmbrand, Grady Bautista, Jackie Turchick, Ted Warmbrand, Sloane McFarland, Ana Acuna, Al Brown, John Klink, Marilyn Robinson, Karen Carlson, Ed Lambert, Gretchen Siegrist, Kimi Eizele, Corky Poster, Kristi Thomas, Mary Anthony, Greg Clark, Peter Norback, Bill Richards, Jamie Sumner, Kimberly Madison, Tyler Deeny, Rob McLane, Ed Thomas, just some of the neighbors in the Barrio San Antonio and Miles Neighborhood areas who took part in the meetings.

"As my colleagues know, this is an optional overlay district, a Property owner could use their underlying zoning, opt into the Sunshine Mile or proceed with their own site-specific rezoning – including a Planned Area Development.

In Ward 5 we wanted to make sure that if the Sunshine Mile is chosen, there is significant dialogue and involvement of the neighbors on design, traffic and other issues.

"Based on the revised proposal and the additional dialogue over the last two months, the following items have been addressed:

"Height in the Euclid Subarea has been lowered to 6 stories/75 feet which is the same as the underlying zoning. By including the Euclid Sub-area, this ordinance now permits residential in this area which will assist with some of the affordable housing issues.

"Setbacks in the Park Avenue Sub-area have been increased to protect the neighbors. "

"Ward 5 now has two historic surveys being completed at no cost to the residents:

"One to protect the Lost Barrio, thanks to Rio Nuevo with the adoption of the OVERLAY,

"And one to help the Barrio San Antonio Neighborhood related to property taxes.

"In addition: the Department of Transportation and Mobility has added Park Avenue both north and south of Broadway to the "Move Tucson" project to improve streets for walkability, bike infrastructure, beautification/green infrastructure.

"Planning and Development Services will work with the Barrio San Antonio and the Drachman Institute on long term planning as well as a neighborhood plan.

"Traffic into the neighborhoods will be evaluated through Traffic Impact Analyses for projects to ensure the ingress and egress and that emergency vehicles can get to the houses in need.

"Student housing or Group Dwelling are not permitted.

"Neighborhoods will have a strong voice in the Design Review Process for major projects with the ability to create enforceable conditions of zoning.

"And as a Council, we have prioritized Affordable Housing as an issue that Housing and Community Development is working on to address this critical issue.

"I want to thank all the Ward 5 residents who have participated in this extra dialogue.

"There is one last item I want to see changed from the proposed ordinance to reflect my constituents' requests: An added limitation on the height in the Park Avenue Subarea south of 12th Street to 4 stories/54 feet and no higher.

"In addition, I want the following points reiterated that are already in the ordinance as adopted on July 7:

"For affordable housing, stay at 15%, at 80% AMI or lower, but remove the density bonus percentages, as long as the new construction follows the building envelope.

"Explore additional funding and partnership solutions to create more affordable housing.

"Enlist the Housing and Community Development Department, when 1 person is displaced and enlist HCD in the pre-application phase when anybody is potentially displaced.

"I move to approve the revised Sunshine Mile ordinance as presented to the Mayor and Council and with the height limitation as mentioned in the Park Avenue Subarea.

"I would also like for staff to report back to the Mayor and Council in 18 months on projects that have or are using the Sunshine Mile Ordinance."

This motion was passed 7-0, for which I want to thank my colleagues on the Council for their support.

20th Anniversary of 9-11: I spoke at Patriot Day, 20th Anniversary of 9-11 held at Gold Star Mother's Family Park, located by the Veteran's Memorial Overpass in Tucson, Saturday, September 11.

Two Nogales Police Officers, Jeremy Brinton and Jesus M. Cordova, who were killed in the line of duty, serving the community, were recognized and honored for their service.

I presented the families of Jeremy Brinton and Jesus Cordova the Ward 5 Medallion of Hope and the Ward 5 First Responders Coin in honor of their service.

I want to thank the organizers of the event and the American Patriot Memorial for hosting it, so that Tucson came together in remembrance.

Today marks the 20th Anniversary of this tragedy and we shall never forget.

Here are my remarks I delivered at the Tucson 9-11 remembrance event:

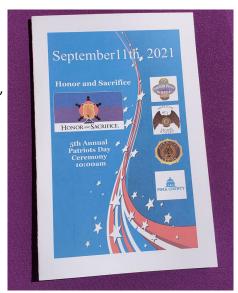

"Thank you all for being here on this day, Patriot Day, for which this day gives all of us time to reflect on the devastating terror attacks that took more than 3,300 lives on September 11, 2001.

"We commemorate those who we lost and give thanks to the brave first responders who put their lives on the line, as well as honoring the Blue Star families of Officer Jesus M. Cordova and Officer Jeremy Brinton who were killed in the line of duty, serving our community.

"To the families of Officer Jesus Cordova and Officer Jeremy Brinton, I want to present to you the City of Tucson Ward 5 First Responder Coin and the Ward 5 Medallion of Hope, in recognition and tribute.

"September 11, 2021 marks the 20th Anniversary of four coordinated terrorist attacks by the Islamic terrorist group al-Qaeda against the United States on the morning of Tuesday, September 11, 2001.

"The attacks killed 2,996 people, injured over 6,000 others, and caused at least \$10 billion in infrastructure and property damage.

"A total of 343 firefighters, 72 law enforcement officials gave their lives on September 11, 2001. In addition, 59 military personnel died at the Pentagon when it was attacked on that day. Tucson, along with our nation, came together in the aftermath.

"On September 15th 2001, 3,000 Tucsonans went to Kino ballpark to be part of a picture of the American flag.

"Our city remembered those who paid the ultimate sacrifice that day and we will never forget.

"Many of Tucson's first responders also went to help in the aftermath of 9-11 and we thank them.

Tucsonans never forget 9-11.

"Annual remembrances are also held by the good citizens of Tucson to remember those lives lost. Tucsonans never forget 9-11.

"We are here today, to remember all those who lost their lives on 9-11 as well as those Tucsonans, from the war during Operation Enduring Freedom.

"On the 20th Anniversary of 9-11, we know that America is always at its best in a time of crisis. We can never forget the sacrifices that have been made for freedom and liberty that we have today. Please keep all who perished in your thoughts and prayers.

"Thank you for being here and God Bless You and this great nation."

Details at pima.gov/covid19vaccine

Faye Waggoner: On September 12, Tucsonan Faye Waggoner celebrated her 88th birthday with a celebration at the VFW Post 4903.

Faye is a great example of a person who gave to her family and community. She is a mother of 8 children, she worked as a nurse helping those in our community who were sick and needed care and gives her time as a volunteer.

NATIONAL POW/MIA RECOGNITION DAY

National POW MIA Day Marked: On Friday, September 17, I represented Ward 5 and the City of Tucson at the 2021 National POW MIA event held in Ward 5 at South Lawn.

I read the City of Tucson Proclamation marking September 17 as National POW MIA Day. Here is the POW/MIA Proclamation from the City of Tucson:

WHEREAS, September 17 is National POW/MIA Recognition Day; and

WHEREAS, Vietnam Veterans of America Tucson Chapter 106; and

WHEREAS, Disabled American Veterans Auxiliary Cactus Unit 2; and

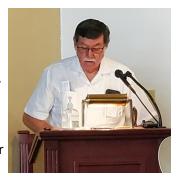

WHEREAS, Funeraria Del Angel South Lawn & Cemetery wish to honor and pay tribute to Arizona's POW/MIA and their families.

NOW, THEREFORE, I, Regina Romero, Mayor of the City of Tucson, Arizona, do hereby proclaim September 17, 2021 to be:

POW/MIA Recognition Day

In this community and we encourage all citizens to honor the American Flag which reminds us that many of our soldiers may never return, and have paid the supreme sacrifice to insure our freedom.

Let us pray to the Supreme Commander that all our comrades will soon be back within our ranks. Let us remember and never forget their sacrifice.

May God forever watch over them and protect them and their families.

Congress designated the third Friday of September as National POW/MIA Recognition Day and ordered prominent display of the POW/MIA flag on this day and several other national observances, including Armed Forces Day, Memorial Day, Flag Day, Independence Day and Veterans Day.

The 1998 Defense Authorization Act (P.L. 105-85) mandates that on these national observances, the POW/MIA flag is to be flown over the White House, the U.S. Capitol, the Korean and Vietnam Veterans War Memorials, the offices of the Secretaries of State, Defense and Veterans Affairs, offices of the Director of the Selective Service System, every major military installation (as directed by the Secretary of Defense), every post office and all Department of Veterans Affairs (VA) medical centers and national cemeteries. The act also directs VA medical centers to fly the POW/MIA flag on any day on which the flag of the United States is displayed. When displayed from a single flag pole, the POW/MIA flag should fly directly below, and be no larger than, the United States flag. If on separate poles, the U.S. flag should always be placed to the right of other flags. On the six national observances for which Congress has ordered display of the POW/MIA flag, it is generally flown immediately below or adja-

cent to the United States flag as second in order of precedence. "as a symbol of our Nation's concern and commitment to resolving as fully as possible the fates of Americans still prisoner, missing and unaccounted for in Southeast Asia, thus ending the uncertainty for their families and the Nation."

Beyond Southeast Asia, it has been a symbol for POW/MIAs from all U.S. wars. War of the Revolution: POW - 18,152 MIA - 1,426 War of 1812: POW - 20,000 MIA - 695 Mexican War: POW - 46 MIA - 238 Indian Wars (US): POW - 339 MIA - 11 Indian Wars (Native American): POW - 2,958 MIA - 40 Civil War - Union: POW/MIA - 194,743. Civil War - Confederacy: POW/MIA - 214,865 Spanish-American War: POW - 8 MIA - 72 World War I: POW/MIA - 7,470 World War II: POW - 124,079 MIA - 30,314 Cold War Era: POW - Classified MIA - 343 Korean War: POW - 7,140 MIA - 8,025 Vietnam War: POW - 766 MIA - 1,719 U.S.S. Pueblo: POW - 83 Grenada: . MIA - 4 U.S.S. Stark: . MIA - 1 Persian Gulf War: POWs - 29 MIAs - 21 Somalia: POW - 6 MIA - 2 Yugoslavia: POWs - 3 As of 2009: 1,315 unaccounted-for Americans from the Vietnam War, estimate that 346 Americans are still missing. Since 1982, 123 individuals from the Korean War have been identified and 8,034 are still carried as unaccounted-for from the Korean War. We identified five individuals from the ROK since 1982 but estimate that 875 Americans are still unaccounted-for from South Korea and estimate that 4,573 individuals have yet to be recovered from north of the DMZ. An estimated 74,213 individuals are unaccounted-for from World War II. Since 1978, 453 were identified for that conflict. These are the statistics of the Department of Defense.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Tucson to be affixed this 17th day of September 2021.

Sunnyside Gives: Congratulations to the Sunnyside Foundation on their successful 5k Fun Run, Sunday, September 19, a part of Sunnyside Gives, which proceeds raised go to the Foundation and their programs to help students and families in need. I was a cosponsor for this year event and glad the event could be held, with social distancing and health protocols.

Council Member Fimbres Honored: Council Member Richard Fimbres will be inducted into the Arizona Veterans Hall of Fame. Richard Fimbres is a 27 ½ year Veteran of the U.S. Army, U.S. Army National Guard and Army Reserves, and is being honored and recognized for his service to our great nation. The Induction Ceremony recognizes and honors Arizona veterans who have honorably served their country and who continue to serve and inspire their fellow American citizens with civic deeds and accomplishments outside their military service. Richard Fimbres is a part of the Class of 2021 veterans inducted since the inception of the Arizona Veterans Hall of Fame in 2001.

Being A Good Neighbor: About your trash: To reduce flies and odor, please bag and securely tie all your trash and do not overfill containers. Never place hot ash or coals, or other burning materials in containers. Yard waste may be disposed of, as long as it fits within the container with the lid closed. Don't leave your containers out past your pick up date. Please return it to the space you have in your yard. For any damaged trash containers, contact Environmental Services at (520) 791-3171. To find out your trash pick up date, either call Environmental Services at (520) 791-3171 or go online to maps2.tucsonaz.gov/zoomtucson/. Please have your trash and recycle containers out to the street and on those days, please try not to block mail boxes and driveways. Residential recycling is collected every other week. To check your schedule, go to www.tucsonaz.gov/es/residential recycling and type in your address or use the Recycle Coach app to view your schedule, set up reminders, or submit a service request.

Brush and Bulky: Environmental Services offers Brush and Bulky twice a year. Environmental Services will pick up 10 cubic yards of materials with the following guidelines: They will take brush, cacti (must be contained), lumber up to five feet, scrap metal, piping up to five feet, appliances, refrigerator and freezers with doors removed, automobile tires (limit five), and home furnishings. Environmental Services will not collect: Dirt, stone, concrete, gravel, glass, household hazardous waste (i.e. paint, oil, pesticides and liquids). To find out your Brush and Bulky pick up date, either call Environmental Services at (520) 791-3171 or go online to /maps2.tucsonaz.gov/zoomtucson/.

Cleaning up after your dog: It doesn't take much to remember that we have pets in our community. In fact, if you don't watch your step, you are liable to step in one such reminder! Besides being unsightly and smelly, animal waste can be hazardous to the health of our children who play in the community and other pets. One of the most common forms of disease transmission between dogs is through fecal matter.

When walking your dog out in our community, remember that it should be leashed. Also, it is important to remember to immediately clean up after your pet. Take along a baggie with you to pick up waste and then dispose of it properly. By taking a few simple steps to clean up after your pet, you can contribute not only to the beautification of our community, but also towards the elimination of one of the most irritating nuisances in our community.

Lastly, in our city, please slow down when driving, adhere to the posted street signs, show caution at intersections and if you have a young child and you have a car seat or booster seat, please use them.

Ward 5 Transportation Update: Did you know, the repair and replacement of a damaged sidewalk is the responsibility of the adjacent property owner, per Tucson City Code Chapter 25-12? The good news is, residential property owners may be eligible to receive 50 percent off of the replacement of the sidewalk. The City of Tucson Department of Transportation and Mobility (DTM) will pay for the labor and equipment to remove and replace the damaged sidewalk, in an effort to improve sidewalks and safety within the City. If you would like to participate in the shared-cost sidewalk repair pilot program contact DTM at: (520) 791-3154 or TDOTConcerns@tucsonaz.gov.

The City of Tucson Department of Transportation and Mobility (DTM) is planning to reconstruct Park Avenue from 18th Street to 36th Street as part of the voter-approved Prop 101 Tucson Delivers Better Streets Program. The roadway improvement project is being combined with a Tucson Water Main Replacement Project. Currently, the design for the roadway reconstruction project is 100 percent complete. The design for the installation of the new 30-inch water line is nearing 30 percent completion. It is anticipated that the new water line design will be 100 percent complete in Spring 2022, with construction beginning in Summer 2022.

In early 2022, construction of the new 22nd Street Bridge, over the Union Pacific Railroad between Kino Parkway and Tucson Boulevard will begin, as part of the Regional Transportation Authority Plan. This project will increase traffic capacity and improve freight access by replacing the existing weight restricted bridge to eliminate the need for a detour and provide more direct lines of travel for freight and transit. In addition, the number of travel lanes will be increased from two to three lanes in each direction to match the existing roadway section at either end of the project limits. This will increase the operational capacity to what is needed and will remove the bottleneck created by the current 4-lane configuration between Kino Parkway and Tucson Boulevard. You can read more about this project at dtmprojects.tucsonaz.gov.

If you haven't received your COVID-19 vaccine, this is your chance to protect you and your loved ones.

Come to Summit View Elementary School for family assistance including: rental and utility assistance, food distribution, health information, giveaways, and a free, safe vaccine for anyone 12 years and older.

Pfizer, Moderna and Johnson&Johnson vaccines available.
