Tucson Parks and Recreation,

I am writing to request the naming of Udall Baseball field #3 to "Chase Ridenour Field." I am making this request pursuant to Administrative Directive 1.02-19. In accordance with section IV, paragraph A, subparagraph 5, I am requesting consideration for an expedited review.

Below is the information requested by the directive under section IV, paragraph A, subparagraph 1:

- A. Chase Ridenour
- B. Chase Ridenour Field
- C. Chase grew up in Tucson, playing baseball with Sabino Canyon Little League (SCLL), who calls Udall home, which had a huge positive impact on his life. Chase's life was tragically ended early. The Ridenour family established a financial fund to help SCLL with capital improvements, and to ensure all kids have an opportunity to experience the love for the game, and the camaraderie with teammates that Chase did, whether they can financially afford to or not. The significant improvements being planned to field #3 would not be possible without the Ridenour family, and naming the field after Chase would be more than fitting.
- D. The field is not currently named.
- E. Brad Balazs - SCLL President, Cary Ridenour - Father to Chase. Dedication would include maximum participation by SCLL players and families.
- F. The Ridenour family has made it possible to purchase a badly needed new scoreboard for field #3. Since Chase had so many lifelong memories at this field, we would like the top of the scoreboard to commemorate Chase with the dedication signage.
- G. No signage would need to be changed. Signage would be included with the new scoreboard and fully funded by the fund established by the Ridenour family. A monument or plaque is being considered for behind home plate and outside the backstop fence.
- H. Mr. Cary Ridenour, Chase's father, is included in this email and can supply written approval.

Attached is a draft of the scoreboard and sign. If you need any more information or have questions, please feel free to reach out.

Brad Balazs
SCLL President
