

# CITY OF TUCSON

## CITY OF TUCSON ACCESS MANAGEMENT POLICY REVISION OUTLINE

OCTOBER 2010

Outline for revisions from 3/2003 addition to 9/2010

- 1.0 Introduction – Minor changes to the wording for clarification.
- 2.0 Principles of Access Management – Minor changes to wording for clarification.
- 3.0 Roadway Functional Classification - Minor changes to wording and exhibit added for clarification.
- 4.0 Access Spacing
  - 4.1 Signalize Intersection – Revised requirements deleted #2 which held developer liable for traffic signal.
  - 4.2 Unsignalized Intersections – Added exhibit for clarification.
  - 4.3 Median Openings – Added condition and exhibit to allow for directional median opening.
  - 4.4 Arterial Grade Separation – Removed section changed to Alternatives to Standard Signalized Intersections.
  - 4.5 Pedestrian and Bicycle Crossing Device Guidelines – Warrants revised to current MUTCD standards and graphics added for clarification.
- 5.0 Design Standards
  - 5.1 Street Cross Sections – References updated.
  - 5.2 Sight Distances – References updated.
  - 5.3 Turning Lanes – Section revised for clarification and right turn warrants have been revised. Volume warrants to install a right turn have been increased to reduce the requirement for when a right turn will need to be installed.
  - 5.4 Driveway Locations – Section revised with new exhibits for clarification. Design requirements have been revised to address existing roadway conditions and adopted corridor plans.
  - 5.5 Crossed and Shared Access - Section added to provide clarification for use.
  - 5.6 Local Access Lanes – Section added to provide clarification for use.
  - 5.7 Driveway Curb Radius - Minor changes to wording for clarification.
  - 5.8 Unsignalized Driveway Entry Widths – Exhibit added for clarification
  - 5.9 Driveway Profiles - Minor changes to wording for clarification.
  - 5.10 Driveway Turning Movement Restrictions – Section added with exhibits to provide clarification for use.
  - 5.11 Driveway Throat Length - Section revised with new exhibits for clarification.
  - 5.12 Truck Loading Area - Minor changes to wording for clarification.
  - 5.13 Median Design - Minor changes to wording for clarification.
  - 5.14 Pedestrian Facilities - Minor changes to wording for clarification.
  - 5.15 Bicyclist Facilities - Section revised with additional information on types of bike facilities.
  - 5.16 Transit Facilities - Section revised with new exhibits for clarification.
- Methods of Application - Minor changes to wording for clarification.
