Subject: Private Improvement Agreement Utility Notification

Dear Consultant:

The following is a list of utility companies which have requested to be notified of any proposed, privately funded improvements within the public Right-of-Ways.

As a way to verify that the utilities listed below have been notified, a plan receipt confirmation from each utility company must be submitted to this office prior to final PIA plan approval. The City's involvement will be to verify that utilities have been made aware of the proposed improvement plans. It is the consultant's responsibility to coordinate its work with all of the impacted utilities as indicated by Blue Stake. Attached is a Plan Receipt Form, which may be used to document that participating utility has received a copy of the improvement plans.

City of Tucson IT Department, Infrastructure Engineering	Brian Kessler ITServiedesk@tucsonaz.gov	(520) 791-4370 481 W Paseo Redondo Tucson, AZ 85701
