

Who are the authorities?

The two main authorities enabling Title VI implementation, compliance and enforcement are the Civil Rights Act of 1964 and the Civil Rights Restoration Act of 1987. However, other statutes, laws, regulations, executive orders and the United States Constitution provide guidance for the effective execution of the objectives of Title VI.

THESE INCLUDE:

- Federal-Aid Highway Act of 1973
- Section 504 of the Rehabilitation Act of 1973
- Americans with Disabilities Act of 1990
- Age Discrimination Act of 1975
- Uniform Relocation Act of 1970
- Executive orders 12898 and 13166

Title VI compliance

Title VI compliance is a situation where TDOT has effectively implemented all the Title VI requirements or can demonstrate that every good faith effort has been made toward achieving this end. As a subrecipient of federal highway funds, TDOT is required to prevent discrimination and ensure nondiscrimination in all programs and activities whether they are federally funded or not.

TITLE VI KNOW YOUR RIGHTS

What is Title VI?

Title VI of the Civil Rights Act of 1964 is the federal law that protects individuals and groups from discrimination on the basis of their race, color and national origin in programs and activities that receive federal financial assistance. However, the Federal Highway Administration's (FHWA) reference to Title VI includes other civil rights provisions of federal statutes and related authorities to the extent that they prohibit discrimination in programs and activities receiving federal financial assistance.

TDOT's Title VI Policy

Pursuant to Title VI of the Civil Rights Act of 1964 as amended, the Civil Rights Restoration Act of 1987 and other nondiscrimination authorities, it is the policy of the Tucson Department of Transportation (TDOT) that discrimination based on race, color, national origin, sex, age or disability shall not occur in connection with any of its programs or activities. TDOT's efforts to prevent discrimination will address, but not be limited to, a program's impact upon access, benefits, participation, treatment, services, contracting opportunities, training opportunities, investigation of complaints, allocation of funds, prioritization of projects and the functions of research, planning, project development, design, right-of-way acquisition and construction.

"At Tucson Department of Transportation, our goal is to ensure that every effort will be made to prevent discrimination through the impact of our programs, policies and procedures."

What programs are covered?

Federally assisted programs include any highway, project, program or activity for the provision of services and for other benefits. Such programs include education or training, work opportunities, health, welfare, rehabilitation, housing or other services, whether provided directly by TDOT or indirectly through contracts or other arrangements with other agents.

What type of discrimination is prohibited under TDOT's Title VI program?

Discrimination under our Title VI program is an action or inaction, intentional or not, through which any intended beneficiary, solely because of race, color, national origin, sex, age, disability or retaliation has been otherwise subjected to unequal treatment or impact, under any TDOT program or activity. Discrimination based on the grounds referenced above limit the opportunity for individuals and groups to gain equal access to services and programs. In administering federally assisted programs and activities, TDOT cannot discriminate either directly or through contractual or other means by:

- Denying program services, financial aids or other benefits
- Providing different program services, financial aids or other benefits, or providing them in a manner different from that provided to others
- Segregating or separately treating individuals or groups in any manner related to the receipt of any program service or benefit
- Restricting in any way the enjoyment of any advantage or privilege enjoyed by others receiving any program service or other benefits
- Denying persons the opportunity to participate as a member of a planning, advisory or similar body
- Denying persons the opportunity to participate in the program through the provision of services, or affording the opportunity to do so differently from those afforded others

Who may file a Title VI complaint?

A Title VI complaint may be filed by any individual or individuals who allege they have been subjected to discrimination or adverse impact under any TDOT program or activity based on race, color, national origin, sex, age, disability or retaliation.

What information is included in a Title VI complaint?

A Title VI complaint may be filed by any individual or individuals who allege they have been subjected to discrimination or adverse impact under any TDOT program or activity based on race, color, national origin, sex, age, disability or retaliation.

A signed, written Title VI complaint must be filed within 180 days of the date of the alleged act of discrimination. The complaint must include the following information:

What will TDOT do with my complaint?

Upon receipt, the TDOT Civil Rights Office will determine which agency has jurisdiction to handle the complaint. If TDOT does not have jurisdiction to handle the complaint, it will be forwarded to the appropriate agency. The allegations will be investigated and an attempt will be made to resolve any violations if found. If efforts to resolve any violations are unsuccessful, enforcement proceedings may be initiated to bring the recipient into compliance.

Is there speech or hearing impairment assistance for filing a complaint?

Upon request, assistance will be provided if you are limited English proficient or disabled. Any complaint may be filed using an alternate format.
