Project of Another Jurisdiction: ADOT (See note xi) Marana Pima County South Tucson

notes:

- i. TDOT Permit Center will only accept fully completed applications. If application is rejected, applicant will need to resubmit a new completed application.
- ii. A Traffic Control Plan must be submitted along with the application for a job that lasts more than one day on a City Street; and for any **major impacts** that occur on Collector and Arterial Roadways, including one day operations.
- iii. A Site Plan must be submitted along with application for all Excavation/bore work.
- iv. The applicant certifies that the Traffic Control Devices and Plan are in conformance to Part VI of the Manual on Traffic Control Devices (MUTCD) as amended by the State of Arizona, Tucson's City Code 25, and any other standards set forth by the City Transportation Director.
- v. If your project extends beyond the permit's expiration date, you must renew it 24 hours before it expires. If you do not renew within 24 hours, another application will be required and a new permit number will be issued.
- vi. If you close a road or alley, you must provide written notice 24 hours in advance to the following parties: *Affected school districts, emergency services, businesses, residences, Ward offices, Environmental Services, postal service and the news media.*
- vii. If work is within 10-feet (horizontally) or crossing an existing 16" or larger diameter water main, plans must be submitted to Tucson Water for review and comment. Plan review may take 30 days to complete, and large projects may require review time longer than 30 days. Submit plans to Tucson Water New Development Group 791-4718. Record drawings are available through the Tucson Water Mapping Section 791-2658.
- viii. For work impacting a drainage way, a Floodplain permit may be required. Contact TDOT Floodplain 791-4259.
- ix. To determine the location of Storm Drains check the TDOT As-Built at 201 N. Stone Ave., 5th Floor, Maps & Records 791-4259.
- x. A [Track Access Permit](#) will be required prior to issuance of a right-of-way permit. Contact Sun Link at 791-3333.
- xi. Work within an ADOT Right-of-Way will require the [ADOT's encroachment application](#) to be completed and included and may require an ADOT review prior to permit issuance.
- xii. **In the Downtown Area and on Arterial/Collectors Streets a media release will be required by the appropriate agency for work that requires a complete closure or creates a Major Impact to the traveling public.**
