### **BROADWAY CITIZENS TASK FORCE TO HOLD FIRST MEETING, LISTENING SESSION**

The Citizens Task Force (CTF) for the Broadway, Euclid to Country Club project is holding its first meeting on Wednesday, June 20, 2012 at 5:30 p.m. in the Copper Room at Randolph Golf Complex, 600 South Alvernon Way. The first Broadway CTF meeting will involve introductions of the project team and other CTF members, an overview of the project, a presentation regarding Context Sensitive Solutions planning and a discussion of the CTF role and ground rules.

Following the CTF meeting, at approximately 7 p.m., the project team and CTF will host a public listening session at the same location. This session will feature an opportunity for CTF applicants, neighborhood association leadership from neighborhoods in and around the project corridor, area businesses, and members of the general public to share their thoughts on the Broadway project.

Comments can be shared by participating in small group discussion or by submitting written comment cards for consideration by the CTF and project team as the project progresses. The topics that will be covered include the roadway's look and feel, community character, economic vitality, and the future of Broadway as a gateway to downtown Tucson.

The Broadway, Euclid to Country Club project is an important part of the 2006 voter-approved Regional Transportation Authority Plan. The project will directly impact the future mobility and urban form of Tucson and the entire region. For more information, visit the project website at [www.tucsonaz.gov/broadway](http://www.tucsonaz.gov/broadway), call the information line at (520) 622-0815 or attend either meeting on June 20 in the Copper Room.

This project is funded by the City of Tucson, Pima County and the Regional Transportation Authority (RTA), and is part of the voter-approved, \$2.1 billion RTA plan that will be implemented through 2026. Details about the RTA plan are available at [www.RTAmobility.com](http://www.RTAmobility.com).
