## Kolb Road to Houghton Road Improvements

The City of Tucson Transportation and Mobility Department is beginning the process of designing improvements to widen Valencia Road from Kolb Road to Houghton Road.

Design began in spring 2020 and is expected to take approximately 20 months. Improvements will extend from just east of the Kolb Road intersection to just west of the Houghton Road intersection, a distance of approximately 3.7 miles. Public input will be an important component of this project and opportunities for public comment will be provided during the design process.

### PLANNED IMPROVEMENTS INCLUDE:

- Widening Valencia Road to six-lane roadway with median
- Traffic signals and intersections at Old Vail Road and Nexus Road upgraded
- Drainage improvements to provide all-weather access during storms
- Improved asphalt surface
- Bicycle and ADA compliant pedestrian facilities
- Native landscaping
- Dark Skies compliant roadway lighting
- Public art
