## PAUL'S NOTE

I'm keeping this week's newsletter short for the holidays. Look for an update about work at Jesse Owens Park and our city's solar energy program over the next couple of weeks.

I'd like to wish everyone a Happy Holiday Season. My family is interfaith and we just finished celebrating Hanukkah on Wednesday, and my wife is looking forward to Christmas with her family on Monday. It's been a wonderful month for us and I hope it is as good for all of you. These weeks in Tucson are wonderful. Don't let anyone tell you that we miss out because we don't get Christmas snow.

Thank you for your continued advice, good wishes and yes, even complaints. I love serving our great city.

Holiday closures: The City of Tucson will observe the Christmas holiday on Monday, Dec. 25, and the New Year's Day holiday on Monday, Jan. 1. All City offices, except for emergency services, will be closed on those days. This will include the Ward 2 office as well as the payment window. Residential and commercial trash and recycling will not be collected on either Monday. All City of Tucson residential and commercial customers with trash and recycling collections Monday through Friday will have services delayed by one day during those two weeks. The Los Reales Landfill will be closed on Dec. 25 and Jan. 1.
