**REPORT TO THE COMMUNITY ON CITY/COUNTY WATER/WASTEWATER STUDY:  
A PUBLIC DIALOGUE SESSION ON WATER SUSTAINABILITY**

The City of Tucson and Pima County have completed a Draft Report for Phase 2 of the City/County Water and Wastewater Study. A meeting to deliver a "Report to the Community" has been scheduled to present the report recommendations and receive public comment on **Monday, November 9<sup>th</sup>** from **6:00 – 8:00 p.m.** at the Randolph Golf Course Clubhouse, Copper Room, 600 S. Alvernon. A formal presentation will be made at 6:15 p.m. with a question and answer session to follow.

The City/County Water and Wastewater Study is a multi-year effort to define and develop a sustainable water future for the Tucson region. The Draft Phase 2 Report addresses such topics as integrating water and land use planning, planning for sustainable future growth, water for the environment, uncertainties related to climate change and drought, acquiring new water supplies, maximizing local water resources, and water use efficiency.

The public comment period on the Phase 2 report extends from November 9<sup>th</sup> to November 20<sup>th</sup>, 2009.
