

**2010 WaterSmart Business Program**  
*Award Recipient – Platinum Level*  
**Oldcastle Concrete Designs Inc.**

Oldcastle implemented its Water Management Plan with the following steps:

- ◆ Saved 2,000 gallons per day by reusing wash water to clean equipment resulting in 31% water savings
  - ◆ Reduced sewer fees; rarely dumping to sewer
    - ◆ Removed its misting system, saving about 40,000 gallons per month or 520,000 gallons per year
- ◆ Installed rinse water recycling system, saving 2,000 gallons of water a day
  - ◆ Achieved 41% savings in water usage

Tucson Water's Conservation Office will be contacting Oldcastle Concrete Designs to get an update on what becoming a WaterSmart business has meant to the company and how conservation practices continue as part of its operation.
