### **Water Valve Maintenance to Restrict Traffic on Broadway Near Columbus**

Beginning at 6 p.m., Thursday, August 28, and continuing until 2 a.m., Friday, August 29, traffic will be restricted on eastbound Broadway Blvd. at Bryant Ave., just west of Columbus Blvd.

Two eastbound lanes of Broadway will be closed to traffic. Motorists will be able to travel in the outside lane, nearest the center islands.

Bryant Ave. northbound at Broadway will be closed to traffic. To access the neighborhood, motorists can use Calle de Jardin to the west or Calle el Centro to the east.

Tucson Water will be performing water valve maintenance in the area.

Motorists are asked to exercise additional caution while driving in the area in order to help ensure the safety of the workers.
