

**DATE:** March 18, 2014

**TO:** Honorable Mayor and  
Council Members

**FROM:** Chris Brooks  
Chair, CWAC

**SUBJECT:** 2013 CWAC Annual Report

The Citizens' Water Advisory Committee (CWAC) is pleased to transmit its 2013 Annual Report to you. The report summarizes the actions and decisions taken by the Committee.

CWAC and its subcommittees worked on a wide range of topics this year including Tucson Water's Financial Plan, rate structure and fees, the Long Range Water Resources Plan, Recycled Water Master Plan, and the Conservation Program.

During the year, staff members from two Council ward offices and the mayor's office gave presentations to CWAC. These sessions provided considerable insight into the concerns of the Mayor and Council about water-related issues that the committee members highly value.

On behalf of CWAC, I would like to thank Alan Forrest and the Tucson Water staff for their work and support throughout the year. I would also like to thank my predecessor, Mark Taylor, for his able chairing of the Committee in 2013.
