### **Water Line Repairs Result in Closure of Calle Santa Cruz, Valencia to Drexel**

Tucson Water maintenance crews are repairing a 24" main water line on Calle Santa Cruz, between Valencia and Drexel Roads. To ensure the safety of workers conducting repairs, Calle Santa Cruz will be closed from Valencia Road to Drexel Road starting at 3 PM, Thursday, September 6. The road is expected to reopen the morning of Saturday, September 8.

Access to Pima Community College's Desert Vista Campus will be maintained from Drexel and Irvington Roads. Sun Tran bus route #27 will be rerouted and Sun Van has been notified of the change in campus access.

Motorists who need to go to PCC's Desert Vista Campus should use eastbound or westbound Drexel Road or travel southbound Calle Santa Cruz from Irvington Road. Motorists are asked to also use caution around the work crews and barricades.
