

Water Talks

Part of the *What's Brewing in Environmental Health Series*

Climate Change?

Wednesday, April 26th @ EXO Cafe Tucson
6pm-7pm

403 N 6th Ave, Tucson, AZ 85705

Join us with expert panelists!

Dr. Claire Herrick, ObGyn at Banner-UMC, has a special interest in Climate Change and is the State Coordinator for Citizens' Climate Lobby, a nonpartisan volunteer group working for Congressional action on climate change

Irene Ogata, Tucson Water Landscape Architect, is the City's Urban Landscape Manager and works with a number of departments in the city, as well as with the community, neighborhood associations, and non-profits

Tom Arnold, Lead Management Analyst in the Director's Office, has played a significant role in the development of the City's Drought Preparedness and Drought Plan and is currently involved with energy management, including solar energy and conservation
