Custom Commercial Rebate Program Policy

To qualify for a rebate:

The Custom Commercial rebate program is available to commercial, industrial, and multi-family Tucson Water customers. Funds are limited and will be distributed on first-come, first-served basis, subject to annual budget allocations.

- To be eligible for a rebate, Tucson Water or its contractor must perform a water efficiency audit at the property.
- The project must conserve water for an active account in good standing with Tucson Water.
- Applicant must be the property owner or property owner's agent.
- Participants must consent to an inspection of the business or property to verify purchase and installation of qualifying fixture(s).

Please note:

- Rebate applications must be complete and are subject to verification and availability of funds.
- Tucson Water reserves the right to verify and inspect rebate devices.
- Tucson Water does not warrant, endorse, or assume liability for the quality or performance of the installed equipment related to purchase under this program.
- Tucson Water reserves the right, at its sole and absolute discretion and at any time, to change any or all of the Rebate Program Policy or to cancel the rebate program without prior notice.
- **Original receipt(s)** are required to process the rebate application. (Tucson Water does not accept scanned documents or photocopies.)

Rebate details:

- A list of efficiency technologies and their incentive values is available from the water efficiency recommendations report. The payment will equal the listed maximum incentive amount based on \$10 per 1,000 gallons of calculated savings or 50% of the product purchase price (labor, tax, shipping and other related costs will not qualify as part of the product purchase price) whichever is less.
- Applicant is not required to complete all the proposed measures to qualify for the rebate.
- Applicant may apply for additional rebates in the future as long as program funds are available.
- Applicant must submit a W-9 form for rebates \$600 or more. These rebates are considered taxable income and applicants will be issued a 1099-MISC as miscellaneous income. The W-9 form requires submitting your social security or tax identification number.
- Allow up to eight weeks for your completed application to be processed and receive a check.
