Water Main Repairs to Restrict Traffic on Davis Ave., North of Ruthrauff

(1630 hours) Work to repair a series of water main breaks on September 26 will continue to restrict traffic on Davis Avenue, north of Ruthrauff Road. The affected area is east of Interstate 10.

Work will continue this week to complete repairs at the intersection of Davis Avenue and Ruthrauff Road. Intermittent lane closures will take place while the contractor completes work. On Tuesday and Wednesday (September 30 and October 1), the westbound right turn lane from Ruthrauff onto Davis will be closed. Motorists should still be able to make a right turn from the center lane.

On Thursday and Friday (October 2 and 3), the southbound right turn lane from Davis onto Ruthrauff will be closed. Motorists should still be able to make a right turn onto Ruthrauff from the center lane.

Motorists are urged to use caution while driving through the area, and observe all traffic control devices in order to help ensure the safety of the workers.
