Waterline Repairs Result in Traffic Restrictions

Tucson Water crews are conducting waterline repairs at the northwest corner of Grant Road and Santa Rita Avenue. Both westbound lanes of Grant Road, between Fremont Avenue and Santa Rita Avenue, are being diverted to the center turn lane as a result of the work being done. The water repairs are expected to be completed today by 6:00 p.m.

Service to Tucson Water customers living in the area is not affected.

Motorists are asked to exercise caution while driving on Grant Road between Park Avenue and Campbell Avenue.
