### **Mission Road Water Main Repairs Affect Traffic**

Tucson Water crews are working to repair a broken water main on Mission Road, near Donny Brook Road. Northbound lanes of traffic on Mission Road have been diverted to the Southbound lanes, providing a single lane of traffic in each direction. Work is expected to be completed by midnight tonight (Thursday, June 19). One business in the area is affected by the outage.

Motorists are urged to exercise additional caution to help ensure the safety of workers repairing the water main.
