CERTIFICATE BY PERMITEE

The information provided is true and correct. All provisions of laws and ordinances governing the type of work will be complied with whether specified herein or not. I understand that the granting of this permit requires that I follow all State or local plumbing codes as required by the Backflow Prevention Section regarding the installation of this assembly. I understand that all work completed for the assembly using this permit form binds me to correct installation standards. I understand the aforementioned property will require accessibility for Spot Test inspections or Final Inspection purposes. I am responsible for any corrective repairs needed should the installation fail the Final Inspection. My signature hereby certifies that I have examined, read and agree with the terms set forth to obtain the Tucson Water Backflow Prevention Installation Permit as indicated.
