### **RECLAIMED WATER LINE REPAIRS CLOSE GLENN ST. EAST OF SWAN RD.**

Rupture of a 30” reclaimed water line has resulted in the temporary closure of Glenn Street, east of Swan Road to Torino Avenue.

Drinking water customers are not affected by the break. The reclaimed water line provides recycled water service to several users, who have been contacted. Tucson Water will be utilizing boosters in the distribution system to help restore supply.

Repairs may take up to three weeks. Tucson Water contractors will be in the area and motorists are asked to exercise caution.
