Calle Santa Cruz, Valencia to Drexel, Reopens After Water Line Repair

(1100 hours) Calle Santa Cruz, from Valencia Rd. to Drexel Rd., has fully reopened following repairs to a crack in a water line.

The crack in the 24" pipe caused a significant leak on Friday, September 5. Water service was uninterrupted for customers in the area, but the repairs led to the closure of one northbound and one southbound lane on Calle Santa Cruz.

Tucson Water contractor crews completed the work ahead of schedule. Thank you to motorists who exercised extra caution around the roadway worksite.
