

# Smartscape - A Training Program for Landscape Professionals™

JAN/  
FEB  
2013

TUESDAYS  
& THURSDAYS  
3:00 TO 5:30

This **FREE professional training program** consists of nine 2.5 hour lectures presented by University of Arizona faculty and local business leaders. The certification series provides informative, research-based instruction with classes designed to promote best landscape management practices for the urban Sonoran Desert landscape.

Our program goals are to 1) Provide sound understanding of the art and science underlying conventional practices associated with landscaping; 2) Foster best management practices for creating and maintaining healthy urban landscapes; 3) Educate participants regarding the need for water-conservation and encourage use of water-efficient practices and technologies.

This series is presented twice per year to **Landscape Professionals** including: Landscape Installation & Maintenance, Irrigation, Pest & Weed Control, Designers/Architects, Nursery, HOA/Neighborhood Association Representatives, Property Managers, Groundskeepers for Schools/Parks, Multi-Family, Commercial, and Municipal. Students are also welcome!

**Registration is required. CALL NOW!**

**For additional information or to register, please call the SmartScape Program Office at (520) 626-5161.**
