### **Water Main Break Closes Snyder Rd., Kolb to Sabino**

(1100 hours) Tucson Water crews are responding to a water main break in the northeast side of Tucson. The break is at Snyder Road and Boyd Lane, which is between Kolb and Sabino Canyon Roads. This area is closed to traffic until further notice.

It is estimated that 100 to 150 services are affected. Free bottled water will be available at the southwest corner of Snyder Road and Mayfair Circle.

Motorists are asked to exercise caution while driving in or near this area while crews work to repair the water line.
