Water Valve Repairs Necessitate Interruption of Water Service; Area Affected is Broadway to 22nd, Rosemont to Venice

Tucson Water maintenance crews will repair a 16" main water valve near Swan Road and 19th Street. A temporary water service outage will occur for customers in the bounded by Broadway Blvd. to the north, 22nd St. to the south, Rosemont Blvd. to the east, and Venice Ave. to the west. The outage will begin at 9:00 PM, Thursday, August 1. Water service is expected to be restored by 4:00 AM, Friday, August 2.

Initially, the water service interruption will encompass the total service area defined above, but the size of the affected area will reduce significantly by 10:00 PM on August 1. Tucson Water has mailed a written notice and a map of affected service area to all the addresses within. The map is also online in H₂O Topics at tucsonaz.gov/water.
