### **Valve Repairs to Affect Water Service, Traffic on Southbound Swan Rd., Broadway to 22<sup>nd</sup> St.**

Tucson Water maintenance crews will repair two 16" main water valves and several smaller ones near Swan Road and 19<sup>th</sup> Street. The work will result in the closure of southbound Swan Road, between Broadway and 22<sup>nd</sup> St. on Saturday, August 24, from 5:00 a.m. to approximately 6:00 p.m. Motorists are asked to use Rosemont or Columbus Boulevards during this time.

A temporary water service outage will occur for customers in the area of Swan and 19<sup>th</sup> St. About 120 homes will be affected. Notifications are being distributed to residences. A water station will be available at nearby Bonillas Elementary School at 4757 E. Winsett Blvd.
