### **TUCSON WATER IS PART OF SAHBA FALL HOME & PATIO SHOW**

Tucson Water staff will be at the utility's exhibitor space for the SAHBA Fall Home and Patio Show, October 18 through 20, at the Tucson Convention Center.

Visitors can get free materials on water efficiency indoors and outdoors, find out about various rebate and incentive programs, and learn about water quality, and the supply and delivery system.

"At every show, more people want to talk with our professionals," said Alan Forrest, Tucson Water Director. "The continued news about drought stages in the West increases the discussion of what we can all do to ensure a reliable water supply." Tucson Water has been part of SAHBA Home Shows since the mid-1990s.
