## **D**

# **METRIC CONVERSION CHART**

## APPENDIX D

The following table will be used by Tucson Water to determine normal metric pipe sizes relative to nominal pipe size in inches.

3/4"	20mm
1"	30mm
1 1/2"	40mm
2"	50mm
4"	100mm
6"	150mm
8"	200mm
12"	300mm
16"	400mm
24"	610mm
30"	760mm
36"	910mm
48"	1220mm

These pipe sizes were derived from the publication, Plan Metrication Guidelines, January, 1994, by the Arizona Department of Transportation.
