

Yeah, that tap doesn't need to run while brushing.

Stop the Dribbler!
Brush up with one cup!

You can always take shorter showers.

Cool! I didn't know low-flow shower heads help conserve water!

If you can't get Aqua Duck to help you fix a leaky faucet, ask an adult!

Hey! Who tried to run the washing machine with just this sock in it?

It's a waste of water to run the dishwasher when it's not full.

Help us deal with the Dribbler!

Turn off the water when the plants have had enough!

Save water!
Take a bath with your dog!

Yeah, here's a broom.
You can get your sidewalk just as clean and save water!

Desert plants look great in our yards!
They need less water than other plants.

If you see water being wasted, have an adult call
791-3242.

We've got you under control, Dribbler! We'll use a spray nozzle to stop the endless flow from the hose.
