

Hey Kids! Do you have what it takes to be Tucson's next Conservation Idol? Here's your invitation to audition!

The Conservation Idol judges are in Tucson looking for the next Conservation Idol. Contestants are gathering to show their conservation talents! What does it take to be a Conservation Idol?

It's simple! To pass the audition, you must:

- Be knowledgeable about our water and understand why we need a Conservation Idol in Tucson.
- Show talent for saving water!
- Be prepared for water conservation with water-saving props.
- Dazzle the judges with great ideas for conserving water.

Try out for water savings and maybe you can be a Conservation Idol!  
Good Luck!
