

# Vote, Tucson!

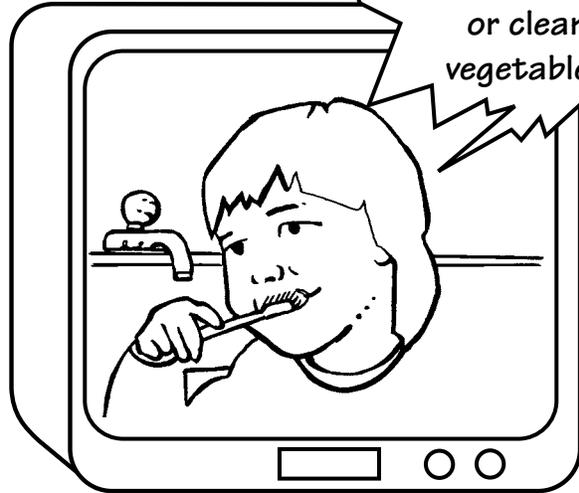

That was your best performance ever!

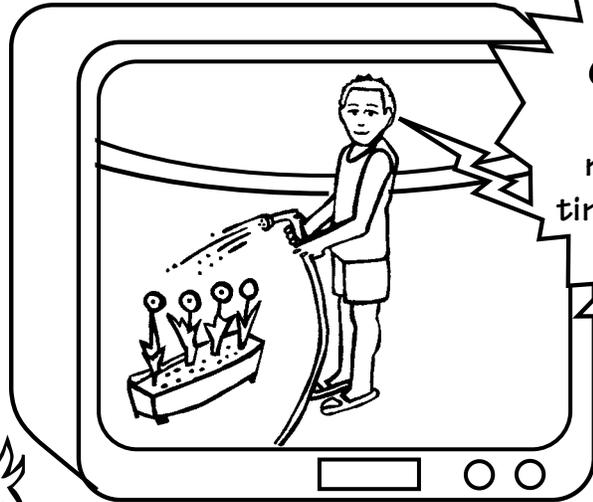

**5.** I install low-flow toilets and showerheads!

**4.** I turn off the faucet whenever I brush my teeth, wash dishes, or clean vegetables!

**6.** I use a spray nozzle any time I use the hose!

You nailed it!

Who do you think saves the most water and should be our next Conservation Idol? Vote here by writing in the number of your chosen contestant then turn to page 9 to see what the judges say!
