

Hey kids! Now that you know so much about saving water and are telling others, are you ready to take the Conservation Pledge and become a Tucson Water Junior Water C.O.P. (Conservation on Patrol)?

In the form below, list the top three things you have elected to do to save water and then, tell Tucson Water!

For your efforts, you will receive a certificate recognizing you as a Tucson Water Junior Water C.O.P.! For now, you can punch out your Junior Water C.O.P. badge on the back of this book and wear it proudly. As you tell others and they elect to save water, give them a badge, too!

Complete this form below, cut it out, add a postcard stamp, and send it to Tucson Water! (Don't forget your return address!)

Campaign for Conservation

My Personal Pledge to Save Water

I _____ pledge to save water in the following ways:

1) _____

2) _____

3) _____

Send my certificate to: _____
