CLICK 2 SAVE H₂O

What's happenin'...

In these tough times, it's always a smart idea to conserve water. And now, I have a whole new world of water-saving ideas for you!

You and your parents can check out all the fun at my new MySpace page: MySpace.com/PetetheBeak with instant savings ideas, activities, games, prizes and more!

Don't forget to enter the contest and send in your favorite family YouTube video showing us your best water conservation saving tips in your home!

Also, you can twitter Pete at: Twitter.com/PetetheBeak

So, Click 2 Save H₂O and don't be left out!
