

Certified Landscape Professional Training Series

SmartScape is a landscape water conservation and education program offered through Pima County Cooperative Extension for the Tucson Active Management Area.

We offer Professional Certification Training twice per year specifically for Green Industry and allied personnel, including: Landscape Installation & Maintenance, Irrigation, Pest & Weed Control, Designers, Nursery, HOA's, Property Managers, Multi-Family, Commercial and Municipal.

Our **FREE** professional training program consists of nine 2.5 hour lectures. This certification series provides informative, research-based instruction with classes designed to promote best landscape management practices for the urban Sonoran Desert landscape.

Registration is required.

For additional information, please call (520) 626-5161 or explore online at www.ag.arizona.edu/pima/smartscape
